### Speedy Cleanz® Fluid Absorbent

The economical alternative to Red Z®. Apply Speedy Cleanz® to vomit or urine as well as other body fluid spills and watch it transform the liquid into an odorless, semi-solid mass. Speedy Cleanz® non-slippery formula is perfect for use on floors. It's non-toxic, biodegradable properties make it environmentally friendly, and easily disposable. Perfect in schools, veterinary offices, industrial facilities or anywhere there is the possibility to come in contact with body fluid spills.
