Wipe

## Antiseptic Wipe

*Formulated with 66.5% Ethyl Alcohol*

Ensure cleanliness and safety with Safetec's Antiseptic Wipe. These wipes are designed to protect wounds and prevent infection, making them an essential addition to medical facilities, first aid kits, and various workplaces. Each wipe is saturated with an effective antiseptic solution, providing a quick and convenient way to sanitize wounds and surfaces. Ideal for healthcare professionals, first responders, or anyone prioritizing hygiene, Safetec's Antiseptic Wipes are a reliable choice for on-the-go sanitation and infection prevention.

Safetec's Antiseptic Wipe meet the American National Standard (ANSI) minimum requirements for workplace first aid kits and supplies (Z308.1-2021 - Section 6.4: Antibiotic Application).

Offered in bulk, these convenient individually packaged wipes are perfect for kit packers and refilling first-aid kits and cabinets.

### Ideal for use in:

- Correctional Facilities
- First Aid Kits
- Healthcare & Laboratories
- Industrial & Manufacturing
- Occupational Health & Safety
- Restaurants
- Schools
- Transportation
