Burn Gel & Burn Spray

Cools and Soothes Damaged Skin

Experience soothing relief with Safetec's Burn Gel & Spray. Our fast-acting formula provides immediate cooling and relief to damaged skin from minor first-degree burns (flame, kitchen, and electrical) and is also great for use on sunburn. Formulated with 2% Lidocaine to offer quick, targeted pain relief. It dries quickly without leaving any sticky residue on the skin.

Offered in various options from convenient single-use pouches, perfect for kit packers and refilling first aid kits, to our 25 ct. and 144 ct. cartons that can be a standalone solution. The 2 oz. spray formula offers easy application that prevents cross-contamination when treating burns.

Ideal for:

- After Sun Care
- Chemical Burns
- Electrical Burns
- Fire-Related Burns
- Heat Rash
- Kitchen Accidents
- Minor Scalds
