RE: Safetec Ammonia Towelette (SKU: 62020 & 62022)

Safetec's ammonia towelette contains no drug facts and is not intended to diagnose, treat, cure, or prevent any disease or health condition. Our Safetec ammonia towelettes do not have dosage limitations and therefore do not require expiration dating on the packaging. A manufacturing date will be added to our product certificate of analysis for reference.

What Safetec does say about our Ammonia products:

Directions For Use:

Tear open and wave pouch under nostrils. Do not remove towel from pouch.

Warning:

Do not use if you have a respiratory illness.

For external use only. Flammable, keep away from fire or flame. The safety of this product has not been determined. If swallowed, get medical help or contact Poison Control Center right away. Do not use on skin or in eyes.

Ingredients:

Ammonia, ethanol, purified water

Caution:

Keep out of reach of children.

Consult with your physician.
