First Aid & Burn Cream

For Relief of Minor Cuts, Scrapes, and Burns

Safetec's First Aid & Burn Cream offers prompt relief for minor cuts, scrapes, and burns. Enriched with Benzalkonium Chloride and Lidocaine HCL, this multipurpose cream swiftly alleviates discomfort while shielding against contamination. Tailored to address burns and a spectrum of injuries effectively, it serves as a dependable shield against infection, ensuring comprehensive care.

Our First Aid and Burn Cream products meets the American National Standard (ANSI) minimum requirements for workplace first aid kits and supplies (Z308.1-2021 - Section 6.7: Burn Treatment).

Offered in various packaging options from convenient single-use pouches, perfect for kit packers and refilling first aid kits where preventing cross-contamination is a must, to our 25 ct. and 144 ct. cartons that can be a standalone solution. Our versatile packaging configurations ensure you're always equipped to swiftly and efficiently combat minor burns and injuries while preventing cross-contamination.
