

# Insect Repellent

Formulated with Citronella and Soybean oils

Stay protected from pesky insects with Safetec's Insect Repellent. This on-the-go solution is perfect for outdoor enthusiasts, those who call the outdoors their office, and individuals on the move. The compact size makes it easy to carry, ensuring you're always prepared to ward off insects during any outdoor activity. Safetec's Insect Repellent is deet-free and contains natural plant-based repellents like citronella and soybean oils, making it safe for children and adults.

Our single-use pouches are offered in bulk bags, perfect for kit packers and refilling first-aid kits and cabinets.

### Ideal for use in:

- Backpacks
- Beach Bags
- Camping Gear
- First Aid Kits
- Promotional Bags
- Purses
- Tool Boxes
- Travel Kits
- Work Vehicles
