

# National Standard EZ-Cleans® Kit

Specifically tailored for the cleanup of blood and body fluid spills, the National Standard EZ-Cleans® Kit is a cost-effective alternative for workers who do not require full face and body protection. Compact and easy to use, all kit components are disposable. Whether for work vehicles, buses, or on-site use, this kit provides a practical and economical solution.

Suitable for various environments, such as workplaces, nursing homes, hospitals, schools, correctional facilities, anywhere a first aid kit is present and in any business where job-related contact with blood is a potential risk.

This kit includes Red Z® Solidifier, a quick and efficient solution for solidifying blood and body fluids while eliminating odors.

## What's Included:

- 10 g Red Z® Solidifier
- Instructions
