Oral Pain Relief

(Formulated with Benzocaine for Pain Relief)

Experience rapid relief from oral discomfort with Safetec Oral Pain Gel. Formulated with Benzocaine, this specialized gel swiftly numbs and alleviates pain caused by toothaches, canker sores, gum sores, dental work, cheek bites, denture irritation, and other mouth or gum irritations. Its refreshing peppermint flavor enhances the experience while addressing oral pain, ensuring a comforting solution for dental issues or mouth soreness.

Available in 144 ct. cartons containing convenient single-use pouches, Safetec's Oral Pain Gel ensures prompt application and hassle-free access. This adaptable packaging option allows for swift relief anytime, anywhere, making it an ideal choice for immediate oral pain relief.

Ideal for:

- Braces
- Canker Sores
- Cheek Bites
- Dental Work & Irritation
- Gum Pain
- Inflamed Gums
- Mouth Ulcers
- Oral Surgery Recovery
- Toothaches
- Wisdom Teeth Pain

Please Note:

These products are intended for the relief of minor oral pains and discomforts. Always consult a medical professional.
