**RE: Safetec Zorb Sheets and California Proposition 65**

Safetec of America's Zorb Sheets do not contain any chemicals listed under California's Safe Drinking Water and Toxic Enforcement Act of 1986 ("Proposition 65"), nor do they contain chemicals at concentrations that would require a safe harbor warning.

Our products comply with all Proposition 65 requirements. Along with our suppliers, we continuously monitor updates to the official Proposition 65 chemical list published by the California Office of Environmental Health Hazard Assessment (OEHHA), which can be found at: <https://oehha.ca.gov/proposition-65/proposition-65-list>.

If new chemicals are added to the list, we will evaluate them against the raw materials in our finished products and provide safe harbor warnings if required.

Safetec of America, Inc.
