SaniWash® Antimicrobial Hand Wash

Formulated with PCMX

Safetec SaniWash® Hand Soap is your essential choice for hand hygiene, meticulously designed to meet APIC, CDC, and OSHA standards for hand washing. Our powerful hand soap, enriched with 0.6% PCMX for potent antimicrobial action, ensures comprehensive protection against harmful microorganisms. Our 16 oz. tabletop pump bottle provides convenient and controlled access, making it easy to dispense the right amount.

Our 16 oz. tabletop pump bottle provides convenient and controlled access, making it easy to dispense just the right amount. A gallon sized option with a pump is also available as a cost-effective volume choice for maintaining hand hygiene in large and busy environments or can be used as a refill.

How Much Soap Will You Need?

The average person uses the bathroom 6-7 times a day*, using two pumps or 0.7 ml of soap with every hand washing.

Does your facility have enough supply to meet your demand?
