Speedy Cleanz®

Fluid Absorbent

A more economical alternative to our Red Z® Solidifier. Speedy Cleanz® can be applied to vomit, blood, urine as well as other body fluid spills. Watch it transform the liquid into an odorless, semi-solid mass. The non-slippery formula is perfect for use on floors.

It's non-toxic, biodegradable properties make it environmentally friendly, and easily disposable. Perfect in schools, veterinary offices, industrial facilities or anywhere there is the possibility to come in contact with body fluid spills.
