Triple Antibiotic Ointment

Stay Protected From Infection

Stay protected from infections with Triple Antibiotic Ointment, a potent blend containing Bacitracin Zinc, Neomycin Sulfate, and Polymyxin-B Sulfate. This powerful combination serves as your defense against harmful bacteria, preventing infection and promoting swift recovery for minor skin injuries like cuts, scrapes, and burns.

Available in convenient single-use pouches, packaged in bulk, 25 ct., and 144 ct. cartons and 1 oz. tubes, our Triple Antibiotic Ointment ensures easy application and provides on-the-spot relief. The bulk and carton options are ideal for kit packers or refilling first-aid kits, ensuring you can prevent infection and promote healing anytime.

Ideal for:

- Abrasions
- Blister Protection
- Burns
- Chafing
- Cuts
- Minor Skin Irritations
- Minor Wounds
- Post-Surgical Care
- Scrapes
- Sunburn Blisters

Please Note:

These products are intended for the relief of minor skin injuries such as cuts, scrapes, and burns. Always consult a medical professional.

25 ct. Carton Dimensions: 3.25" x 1.38" x 2.63"
