

DISINFECT SURFACES

Gently and Effectively

SaniZide Plus[®] Germicidal Wipes

Our pre-saturated hard surface wipes kill TB, MRSA, VRE, E. Coli and more in 10 minutes and HIV-1 in 2 minutes. When you reach for a SaniZide Plus[®] Wipe, you get a wipe that is durable and leaves behind virtually no lint or particles to scratch or contaminate surfaces. Our alcohol-free formula is non-flammable, safe to ship and non-corrosive on surfaces. The ready-to-use SaniZide Plus[®] Wipes clean, disinfect and deodorize hard non-porous surfaces normally treated with a disinfectant.

160ct wipe size: 6" x 6.75"

Individual wipe size: 8" x 8"
