Sanizide Pro 1®

1-Minute Surface Disinfectant Spray and Wipes

Sanizide Pro 1® is a broad spectrum, EPA-registered surface disinfectant that combines cleaning and disinfecting in one simple step with its ready-to-use, alcohol-based, hospital-grade formula. Sanizide Pro 1® makes staying compliant even easier by reducing the risk of cross-contamination with true, one-minute kill claims that are effective against 48 microorganisms and safe for repeated use on hard, non-porous surfaces.

Sanizide Plus® Germicidal Wipes

Kills 99% of Bacteria*

Sanizide Plus® is a one-step¹ germicidal cleaner and deodorant designed for general cleaning, disinfecting and controlling non-pathogenic mold and mildew on hard, non-porous inanimate surfaces. Quickly removes dirt, grime, non-pathogenic mold and mildew, food residue, blood and other organic matter commonly found in health care facilities. It also eliminates odors leaving hard non-porous surfaces smelling clean and fresh. Use where odors are a problem. This product is effective against 48 microorganisms on hard non-porous surfaces.

¹ "One Step" disinfectant claim is limited to association with non-food contact surface use.

* when used according to disinfection directions
